

Palmer Cricket Academy

Dear Academy Member.

Due to the Coronavirus, Cheam School is closing down their Sports Centre and therefore **all Junior and Senior Academy sessions will need to be postponed and re-arranged at a later date.**

Players who were booked in on sessions will have a coaching credit.

Every day that you have currently paid for can be transferred to the following.

1. Next year's Full Day Academy Sessions.
2. Extra days, next year, that have been set up specifically for the players whose sessions have been affected this year.
3. Each day that has been cancelled can be used for a 2 hour 1-2-1 session or a 3 hour half day session (group of 4) or a full day session (group of 6) with me at the Palmer Batting Lab this summer.

Please watch the website for potential half day and full day dates this summer or contact me direct to arrange 1-2-1 sessions.

Players choosing to book next years Academy or specific re-arranged days then please contact me on:

07815 081744 or garypalmer123@btinternet.com.

Regards

Gary Palmer
